REPAIR CAFE AT ELITA PROMENADE & AJMERA ACRES

We organized **Repair Cafe** events at **Elita Promenade (Oct 5)** & **Ajmera Acres (Oct 26)** in partnership with **Sahas**. From tailoring to knife sharpening, residents availed of a variety of repair services. Check Pg 2 for more pictures from the events.

FARMERS' MARKET AT THE FINER SIDE

We organized a **Farmers' Market** on **October 27** at **The Finer Side**, in partnership with **Akshayakalpa**. We had farm fresh produce, and a wide array of sustainable product stalls from our partners. Turn to Pg 3 for more pictures from the event.

REPAIR CAFE AT ELITA PROMENADE & AJMERA ACRES

This month, LVBL organized Repair Cafe events in partnership with Saahas, at Elita Promenade & Ajmera Acres. The core idea of our repair cafe events is to promote reusing and recycling. Bicycle mechanic, tailor, cobbler and knife sharpener are just some of the skilled workers who offered their services, along with an interactive session about waste management, games for children and a waste collection drive. Residents in both communities availed of these services, and overall, the awareness campaign on reusability was a success.

FARMERS' MARKET AT THE FINER SIDE

LVBL partnered with Akshayakalpa to host a Farmers' Market in The Finer Side, bringing together farmers selling organic produce, local artisans and vendors, and activity hubs like pottery, live caricature, diya painting and paper craft. Residents gathered to shop for sustainable home cleaning products, artisanal gifts, organic food and beverages, among others. The live chaat counter from our partner, Swarg Foods, was a big hit, and our other partners like Well-o-Sip had samples of some of their popular products too.
