HEARING TEST AT ELITA PROMENADE

In partnership with **Silver Talkies** and **Hear Clear**, we organized a free hearing test and hearing aid trial camp at **Elita Promenade**, JP Nagar on Nov 17. It was great to have many senior citizens attend the event and make use of the free services offered by our partner. Pics on Page 3.

TRADITIONAL GAMES AT BRIGADE GARDENIA

Our second Traditional Games event at Brigade Gardenia, JP Nagar, was a big hit, especially with children. We've added a whole stack of new games to the mix, too, including a sustainability-themed jigsaw puzzle and a climate change board game. These are not just good for general knowledge, but also to keep young minds curious and occupied in creative and engaging ways!
